Imagine that you were going on the voyage with Jack to the Isle of Blowynose. Talk about the things that you would need to take with you

Science

- Think about the items that Jack takes in the patchwork sack. What materials are they made from? How did this help Jack to use them in the story?
- Use the internet to investigate the different types of fruit and where they grow

Design Technology

- Help your child to make a model of the boat that Jack builds.
- Look at the tools that Jack uses to build his boat. What are they and how are they used?
- Help your child to make a small patchwork sack to hold some of the things that Jack will need on the journey.

Music

Listen to the following clip (A song about the story) and encourage your child to join in by clapping and dancing.
