TEAMS CALLS INFORMATION FOR REMOTE LEARNING

Here is the schedule for the home learning calls that each class are making on a daily basis. The aim for the calls is to go through the work that has been set and to guide the children in how to complete each task. There is then a follow up call where the completed task can be discussed with the class teacher. Each call will last approximately 20-30 mins and it is expected that every child from the class joins the call. If your child cannot join the call for a particular reason then please let the class teacher know as soon as you can (message on TEAMS or on the Class Dojo). Similarly, if you are having problems with software, devices or passwords then please contact the class teacher.

I hope you are all safe and well and I thank you for your support in these very strange times.

Yours sincerely,

Mr Leake

Deputy Headteacher
